MCC

Minutes 1/10/08

Members present: Jerry Vick, Duffer Vick, Keitlyn Watson, Mariane Wieland, Ron Wieland, Melissa Chase, Paige Sorensen, Machel Chapin, John Hitchman

1. Battle of the books update was given by Melissa Chase. Teams are to be formed by Jan. 22 and consist of 3-5 members that can be multi grades. Students should read books by March 21st and take the Accelerated Reader (AR) tests by that date as well. Other important dates and timelines are available through Mrs. Merrigan’s library web page.

2. Mariane Wieland gave an update as to the process she and the Student council are conducting to select a logo for spirit wear. This logo can also be used for the web page and other forms of communication.

4. Newsletter Update. There was a discussion about how to increase readership. Ron Wieland agreed to contact Dave Eilers about getting a counter included at the bottom of the web page/newsletter so that we could gauge how many times the newsletter is accessed. He was also going to check to see if a “CLICK HERE” button could be added that would allow parents to be added to the MCC/Newsletter email list. John was checking with the skyward system to see if a note could be included at the bottom of each report card that encourages parents to access the web page to see what is happening at Marshall and advertise the Newsletter. If this was not possible, a note will be included in each report card envelope.

5. Promoting the MCC continues to be a point of discussion. It is important to continue advertising for ways parents can get involved with the MCC. We talked about advertising at the sports meetings and at the play. Melissa Chase volunteered to speak to the parents at the basketball meeting and Duffer Vick said she would speak to the parents at the soccer meeting.

6. Meeting was adjourned at 8:30
